

DKIT Mission Statement

Dundalk Institute of Technology's mission is to provide the community with quality third level education and services, relevant to the economic social and cultural development of the region in the national and international context. It aims to promote personal responsibility among all its students and enhance the professionalism of all its members in a supportive, inclusive and productive environment.

Quality Policy

It is the policy of:

The International Office:

It is the policy of the DKIT International Office to act as a hub of information, and to provide assistance and support in relation to all international activity at DKIT in a client focused, efficient and friendly environment. The International Office aims to anticipate the needs of its clients and to constantly improve the quality of its services and relationships with all stakeholders.

The International Office is charged with maintaining and extending the international contacts of the Dundalk Institute of Technology and should, in addition, provide staff and students with opportunities to study or if appropriate, to teach at a partner university overseas.

The International Office seeks through its activities, to produce a diversified campus integrating DKIT into Europe and the wider world and endeavors to use its influence to persuade programme developers to consider international options for their students.

Finally as a revenue-raising unit, it seeks to be self sustaining and to provide a contribution of 10% of Institute revenue over a five year period.

The Examinations Office:

In fulfilling our role in supporting the mission of the Institute;

It is the policy of the Examinations Office to provide a professional, efficient, quality service for students and staff taking examinations. This is achieved with the continued co-operation and support of both internal and external stakeholders of the Institute.

The Grant Office:

In fulfilling our role in supporting the mission of the Institute;

It is the policy of the Grants Office to provide a professional quality confidential service for payment of grants, whilst continuing to improve customer service and increase efficiency in an inclusive environment.
