of Technology

Advance *Your* Career

2024/25 Part-time, Springboard+
& Postgraduate Courses at DkIT

Dundalk Institute of Technology (DkIT) has an exciting array of accredited Part-time, Springboard+ and Postgraduate courses on offer. Whether you are seeking to retrain, upskill or fast-track your way into management, there is bound to be a course to help progress your career.

Springboard+ Courses

DkIT is offering more than **200 free or subsidised places** on Springboard+ courses leading to awards at certificate, degree and postgraduate level. The majority of courses are part-time for a maximum of 12 months and we are also offering a variety of new graduate conversion courses which are offered via the Human Capital Initiative (HCI) Pillar 1.

Springboard+ courses are open to all applicants; employed, unemployed, and returners who meet the eligibility criteria at the time of course commencement. Apply now for a Springboard+ course at DkIT:
