#	ANYTHING TO ADD?	DATE
1	Upstairs should open at 8am and stay open later	12/6/2018 3:53 PM
2	Aww food yea, preferable like rolls and jam bons yea know	12/6/2018 3:48 PM
3	More plants, cozy areas but much much more plants and nature	12/6/2018 1:48 PM
4	More space for students to study.	12/2/2018 11:42 PM
5	opening hours really need to be extended either way i.e. morning & evening	11/29/2018 7:18 PM
6	the important part for me is the nearby plug in	11/29/2018 10:09 AM
7	All ideas are great. We would appreciate if you will realise that!	11/28/2018 11:00 PM

8	I've a friend in Maynooth who only told me yesterday she couldn't believe how early the library shuts. Hers is open to midnight.	11/28/2018 9:35 PM
9	I wish library could be open on a Sunday near exam time as many including myself work Saturdays	11/28/2018 7:53 PM
10	no	11/28/2018 6:50 PM
11	Cleaness is important. The table I had today had crumbs on it... Maybe a reminder of tidying up the table before leaving is necessary.	11/28/2018 6:24 PM
12	Definitely more plugs especially in the large quiet room upstairs as lots of people bring laptops there as they like to study in quietness, but if the laptop goes dead there's no place to plug it in, apart from the tables near the walls but they're always taken up first as people want to use the plug	11/28/2018 6:14 PM
13	More ventilation and higher chairs	11/28/2018 5:39 PM
14	Should be allowed to eat there	11/28/2018 5:02 PM
15	lack of coffee facilities after 3pm is a total pain as it is too far & time-consuming to get across to the Maxol Station & back	11/28/2018 4:40 PM
16	Be able to print files directly from devices connected to library wifi	11/28/2018 4:29 PM
17	Closeby bathroom!	11/28/2018 4:15 PM
18	Access to a power socket was the only issue I found in the library. It'd b great if there was one at every desk.	11/28/2018 4:11 PM
19	More information on how to use the library, and what's available. As a student of 3D animation, it is difficult to know what the library offers me as a student in terms of equipment. For example one of my lecturers asked if there is a drawing stylus available for me to use for an assignment. I don't know if that facility exists. Also with regards to books, there are very few books relating to Animation available in the library, or UX design for example. It is like we are the forgotten about syllabus. I had to order in a design book from Dun Laoghaire for example and ask for a Maya for Python coursebook in the recent book recommendations call-out.	11/28/2018 4:05 PM
20	No	11/28/2018 3:16 PM
21	Could have a drinks or coffee machine plus a vending machine juyts outside the library rather than having to walk to the well as you are wary of leaving your items unattended	11/28/2018 3:14 PM
22	More desks: greatly value	11/28/2018 3:12 PM
23	Chill area in the library with sofas or informal furniture	11/28/2018 9:34 AM

122	I was impressed by a regional public library that had 4 floors. In each floor there was a different environment created and the level of noise will decrease as you move upwards through the floors. There were spaces for quiet individual study, space for children, space for an informal chat, space for groups and a MakerSpace	11/28/2018 9:34 AM

Q15 Any further comments or suggestions about learning space and how you like to work in the library?

87	I think that students and members of the library should have to swipe their student card to gain entry to the library as this is done in most other colleges.
