SCHOLARSHIPS and DISCOUNTS

The Institute makes international scholarships and discounts available in recognition of the ability of students from different countries to pay, and to reward academic achievement. Scholarships are related to respective country's GDP per Capita (as per IMF 2014 statistics) and in recognition of the student's level of academic achievement.

3 tiers have been designated as follows – A, B, and C:

A <\$5,000 USD

B <\$20,000 USD

C >\$20,000 USD

Sample countries have been included in the table below. Applicants from other countries will be advised on a case-by-case basis.

GDP Per capita*	< \$5,000 (A)	< \$20,000 (B)	>\$20,000 (C)
Example Countries	 India  Nepal  Vietnam  Indonesia  Venezuela	 Malaysia  China  Hong Kong  Bolivia	 Singapore  United States  Canada  Oman  Saudi Arabia  Japan  Korea
