August 2026

Dear Student

On behalf of all the staff in the Department, it is my great pleasure to welcome you to Dundalk Institute of Technology and the beginning of your nursing and midwifery journey. We are delighted that you have chosen to study with us and look forward to getting to know you over the coming years.

Induction will take place on the **10th September at 9am in room M128 in the Muirhevna Building** and getting to know you over the next four years. This is an exciting milestone in your life. It is also natural to feel a mixture of enthusiasm and uncertainty as you adapt to a new learning environment, meet new people, and develop greater independence. Please remember that you are not expected to know everything from the outset. Our staff within the department and Institute are here to guide you throughout your studies.

I hope your time here is rewarding, and enjoyable and I wish you every success over the next four years. Looking forward to seeing you on the 10th

Yours sincerely,

Dr Briege King
Head of Department of Nursing, Midwifery and Early Years
