Sensory Map

Campus map of Quiet Spaces
and Sensory Rooms

Welcome to Dundalk Institute of Technology

This sensory map has been developed to support the creation of inclusive, accessible, and welcoming environments across the DkIT campus. The map provides an overview of the sensory pods, quiet spaces, and outdoor green areas that students and staff can avail of.

The map may be particularly helpful for neurodivergent students and anyone seeking a space that meets their personal preferences and needs.

DkIT is proud to be accredited as an autism friendly Higher Education Institute by Ireland's autism charity AsIAM. You can find out more about our autism friendly status: DkIT presented with Autism Friendly Higher Education Institute Award from AsIAm | DkIT
