345	Zaid Al-Barghouthi USI 11-03-2024	Requested the amount of money Dundalk Institute of Technology provides the student union at Dundalk Institute of Technology per student as a means of income for the union. This refers to the amount of money allocated to the students' union by Dundalk Institute of Technology based on the number of students who pay a student union membership expressed as part of their student contribution charge, or part of a 'student levy'. This figure should be expressed as the amount given to the union per enrolled student annually to form their primary source of income, and should include the following: 1. The charge incurred by the student to cover their	Granted

		<p>membership in the students' union, whether it be part of the student contribution charge, tuition fees (for non-EU/EEA students or any other student that does not qualify for 'free fees') or other levy. a. Please also indicate the overall amount of the student levy and provide a full breakdown. b. If the student union membership charge is different for part-time/full-time students or differentiated for students based on any other category, please indicate that too. 2. The amount allocated by Dundalk Institute of Technology to the students' union per student per year. 3. How many students are enrolled in Dundalk Institute of Technology, broken down by part time and full-time students, undergraduate taught, postgraduate taught and postgraduate research according to the latest data.</p>
